DECEMBER, 2008

The November report concerned my trip to teach in the Bible school in **Kremenchuk, Ukraine**. I usually do this twice each year, in March and October. A recent phone call explained that there is no teacher to come in January and the brethren wondered if I could make an extra trip. So I have rescheduled the trip to teach in **Queretaro, Mexico** and will leave for Kremenchuk on January 9. This will be my first trip in what promises to be a very full year.

In this brief report I want to thank you for your encouragement, support and prayers during 2008. God blessed us with occasions to be involved in some wonderful works. Evangelistic opportunities resulted in many conversions to Christ. Preacher students were trained in **India, Mexico and Ukraine** and other Christians were strengthened and prepared to be better workers in the kingdom. I participated in lectureships in **Utah, American Samoa and London**...then in a campaign which began a *new congregation* in that great city. Rose travelled with me to help in some of these efforts. I also preached in one meeting in the U.S. and had several other preaching opportunities here at home. During the year I gave reports of the work to two supporting congregations and hope to visit others in the coming year. In addition to places I usually work I will be in **Thailand** in April and we hope it will be safe enough to return to **Zimbabwe** in June.

Rose and I send our love. We trust that God will bless you and your loved ones in the new year. Let's resolve anew to put Jesus and His way *first* in our lives. Be thankful everyday for God's wonderful love and grace.

Your coworker,
