

Dear Parent of Youth,

It seems that the issue of modesty is invading us from every direction and needs to be dealt with, even in the church. As you know, our schools have dress codes by which our children must abide. It is ridiculous to think that dress, considered to be inappropriate for school, could be appropriate for Christian assembly and other activities. If anyone on this earth should be modest, it should be the followers of Christ. Therefore, we have decided that our youth should abide by the following rules when participating in youth group activities. Those that do not follow these few simple guidelines will be asked to change their dress. These guidelines will be set in place to assist all parents and make it that much easier for us to be Christ-like.

Our dress Code Rules

Made by the youth committee members

1. Shorts and skirts should be no shorter than fingertips when arms are at your side.
2. No midriff (stomach) should be visible.
3. Tops should be modest (No gaping holes under arms, low cut necks, bare backs etc.).

By signing, I agree that the youth named below will abide by these rules while attending youth events sponsored by the Decatur Church of Christ.
