# Prayer Requests

- **Don & Earlene** have been diagnosed with Covid recently. Earlene has had a mild case, and Don is improving but still having trouble and would appreciate your prayers.
- **Connie (Acord) Hawk** had surgery on Tuesday to remove kidney stones & was expected to go home Wednesday. She's asked for continued prayer for healing.
- **BD Lowe's** sister-in-law, Jimmie Lowe, is having trouble with her knee and enduring lots of pain. Prayers would be appreciated at this time for healing.
- **Mike Patel**, father to Akrti Patel (who is a dear friend of **Jaci Christian**) is at UT Southwest in Dallas and the family has asked for prayers.
- **Jim & Guinett Lewis** have had a wonderful update on their daughter, Marilyn, recently. Tests concerning the hole in her heart came back showing a very small hole, rather than the large one that was there not too long ago. Doctors are puzzled & cannot explain the drastic change in such a short time. Praise the Lord for healing! The family is so thankful for all the prayers lifted for her.
- **Janette Cox, Mary Dunn's** sister, has been able to go home but is still fighting pneumonia. The medicine the doctors have her on make her very sick. The family is requesting prayers.
- **Bob Hussey's** surgery was Friday and the biopsy report hasn't come back but the doctor didn't say cancer and that is encouraging.
- **Wyvonne Lipsey's** sister, Wyla Kemp, has a possible stress fracture in her hip & is in a lot of pain but in good spirits.
- **Rowena McKinney's** mom is improving & waiting to be moved to rehab.
- Don Moore, **Joy Hussey's** brother, is still struggling with Covid and the family appreciates your prayers.
- Please continue prayers for our church family (and extended family) that are currently dealing with illnesses and health concerns, especially **Rodney & Fama Harris** and **Doris Russel**.
